

# INVENTION DISCLOSURE REPORT

Title:

Inventors:

Time Before Implementation in a Product:

Relevant Product Lines:

Contemplated Use in Product Line: For each product line in which the invention will be used, indicate the approximate percentage of the products that will incorporate the invention and state whether the invention will be used in the more expensive or less expensive members of that product line.

Has the invention been developed to meet the need of a specific customer(s)? Identify the customers and describe the specific needs for each customer:

Will the invention result in any savings for the company, for the company's customers or end users? Set forth the approximate amount of the savings and who will realize the savings:

What is the estimated market for the product?

Do any current or potential competitors use similar technology that achieves the same result? If so, how will the invention help the company compete against those competitors?

\_\_\_\_\_

Inventors' Initials:

Witness's Initials:

1. PURPOSE/ADVANTAGES OF THE INVENTION:

- A. Purpose No. 1
- B. Purpose No. 2
- C. Purpose No. 3
- D. Purpose No. 4
- E. Other purposes

2. FEATURES BELIEVED TO BE NEW:

- A. Feature No. 1
- B. Feature No. 2
- C. Feature No. 3
- D. Feature No. 4
- E. Other features

3. OLD METHODS AND THEIR PROBLEMS:

- A. Method No. 1
- B. Method No. 2
- C. Method No. 3

4. CONSTRUCTION OF YOUR INVENTION (attach written reports, descriptions, sketches, photos, schematics pseudo-code, etc.)

5. ALTERNATIVE MEANS OF CONSTRUCTION:

A. Alternative No. 1

B. Alternative No. 2

C. Alternative No. 3

6. CONTRIBUTION OF EACH INVENTOR:

INVENTOR

NATURE OF CONTRIBUTION

A.

B.

C.

D.

7. MISCELLANEOUS QUESTIONS:

A. Has invention been made (e.g. prototype, proof of concept)?

Date:

B. Has invention been tested?

Date:

Witness:

C. Please describe any offers to sell anything including the invention, including sales pitches, bids, or advertising, and give the date:

D. Was invention or product including invention sold?

Date of first sale:

E. Is invention presently being used in public/non-confidentially?  
Are there specific plans for its use in the near future?

F. Please attach any related publicly available information (articles, press releases, etc.).

Please list any related patents and patent applications:

|             |           |      |
|-------------|-----------|------|
| INVENTOR 1: | _____     |      |
|             | Signature | Date |
| INVENTOR 2: | _____     |      |
|             | Signature | Date |
| INVENTOR 3: | _____     |      |
|             | Signature | Date |
| INVENTOR 4: | _____     |      |
|             | Signature | Date |
| WITNESS:    | _____     |      |
|             | Signature | Date |
